# PRESIDENT'S CORNER

*Dick Palmer, President*

Members,

The club has had a lot of activities, from Winter Skeet league to Practical pistol. It is doing a great job and looks to continue that way through the summer. 3-D Archery is well attended and our Fish program hosted the annual Kids Fishing derby. The "Take A Vet Fishing" program was well attended by the Vets. This summer rifle matches are scheduled, we already had two Sporting Clays events with additional ones on the board. The register Trap shoot was outstanding, 5-stand has opened, and there is an upcoming register skeet shoot. All of these activities can be found on our web site under the activities link. I want to thank all of those members who came out and helped with the club wide clean up. The grounds look great. The lawns are getting cut with a brand new mower, our first new one since 1993! We provide a lot of information about programs at the Club via email, if your e-mail address has changed, please make sure that our membership chairman gets that information. We will continue to repair the remaining skeet houses, need to replace the front half of the roofs, trim and some T-1-11, and finally paint them. Those work days will be announced. Please mark your calendars for the family picnic which will be held on August 17th.

In closing I need to remind everyone that all obligations must be met before you are allowed to purchase your hunting badges. The badges must be purchased prior to October 1st.

Be safe and enjoy the summer.

## MESSAGE FROM THE VP

*Kevin Theriault, Vice President*

First off I would like to thank those members who nominated me for The Man of the Year award. As most of you know I don't work around the club for awards but it was nice to be recognized. I do everything I do around the club because this is the greatest club around and I want it to stay that way. So again thank you for the recognition.

Well here we are, it's June already. Half the year is gone by. The fishing at the club is starting to wind down, and the pheasants will be here soon. Paul is going to need your help in the coming months with them. Sporting Clays, Five Stand, Archery and Practical Pistol are up and running their events for the summer and Frank has a few skeet shoots planned for this summer also, so there are plenty of events happening at the Fin. So come on down and enjoy what we have here, and remember you need to purchase you hunting badge prior to October 1st.

## THE FAMILY PICNIC

The Family picnic is fast approaching. The picnic is set for August 17th. There will be a work day on August 16th at 8 am to set up for the picnic. This is a great time and way to get your work hours in before hunting season starts. If you want more information on helping at the picnic please call me at 860-428-5519 or send me an email at wfdktheriault@gmail.com.

21 and Older	12 to 21	6 to 11	5 and Under
<b>\$15.00</b>	<b>\$10.00</b>	<b>\$5.00</b>	<b>FREE</b>

Thank you.

## HUNTING BADGES

Please mark your calendars as you will need to purchase your 2014 badge prior to October 1st. After that date, no badges will be issued. You must fill out your permission slips, for selecting the type of hunting activity you would like, selecting your fall hunting group, and finally purchasing your badge. Come September, if you have not completed your work hour requirement, or paid your obligations, you will be notified. You must pay for those work hours, and outstanding obligations or you will lose your hunting privileges and your badge. Tremendous amount of work goes into this program from permission slips, organizing forms, verifying information on the permission slips, notifying members that information was incorrect or left out, cross checking work hours, obligations paid for, and finally issuing badges. This is to ensure that everyone is eligible to hunt, after meeting all these requirements.

It is your responsibility! To make sure that information, work hours, obligations, and payments have been completed so to purchase your badge. Please keep your receipts. It is not the Hunt Chairman or the Club, it is you.

**REMEMBER  
OCTOBER 1ST IS  
THE DEADLINE.**

# TREASURER'S REPORT

*Tom Hoagland, Treasurer*

Here it is June 12th 2014. Another news letter article is due. As you can see from our monthly report, our club is in great fiscal shape. We are saving money and paying off the only loan we have. The skeet field loan is now ~\$42,000. If we keep paying extra each payment that loan should be paid off by August 2015 or so. We have cash on hand of about \$130,000. I was talking to people from another organization I belong and they think they are in good standing if they have enough money in reserve to pay the operational costs for one half year. As it stands for the Fin our annual operational costs are about \$270,000 which \$130,000 is just about one half. So at least in the eyes of the other organization the Fin is in good standing. In the past and probably in our future, the Fin will not be so lucky to have this much money on hand. If we take on a large loan to be able to purchase property we won't have this cash reserve but we will have property.

At any time you think you have an idea that could make money for the club please step up and initiate it. The Fin has not had a diner in a while it would be a money maker.

## MEMBERSHIP

*Bob Hruskocy, Membership Chairman*

The clubs current membership remains steady. There have been a total of 53 new members that have joined the club in 2014. Here is the breakdown of the membership categories; Regular 348, Associate 180, Junior 40, Life 142. I have received the list from the raffle committee of the members who did not purchase their 2014 raffle tickets. Invoices will be going out to those that owe for their tickets.

All fees need to be paid in order to remain a member in good standing, hunting badges will not be issued for those that owe for raffle tickets. This is the time of year to get in your work hours, there are many events that are going on. Work hours need to be completed by September 30th. Don't wait !!

## SPORTING CLAYS

*Dick Palmer, Sporting Clays Chairman*

Sporting Clays has already had two events and I want to thank those who came out to shoot and those members who worked as trappers. By the time this newsletter comes out, the CWA annual Sporting Clays event will have gone by, this is always a fun time. Our schedule has us hosting three more shoots on July 13th, Aug 10th and Sept 14th. These are easy work hours and we usually send an e-mail about 2 weeks in advance soliciting members to help trap. Please contact me through [rpalmer12@snet.net](mailto:rpalmer12@snet.net) or calling 860-933-4768 to sign up.

We are also hosting the Connecticut Ducks Unlimited Sporting Clays shoot here on Sept 6th, a Saturday, and we usually need about 26 members to help trap and score for this day. The event runs from 8 am to about 1 pm, rain or shine, and the sign up list will go up in July. So please look at your calendars and set aside some hours to work one of these shoots.

Keep breaking those targets.

## TAKE A VET FISHING DAY

April 27th the Club again sponsored "Take a Vet Fishing Day". This organization receives donations to allow a day of fishing for veterans. They go all over the State looking at Sportsman Clubs to host this event for the veterans. This year there were approximately 80 veterans, two years ago there was about 35. They were provided with bison burgers, pizza and of course fish that was caught. Thank you to all of our veterans.

I would like to thank the following people for their time, without them the shoot could not have been possible; Mike Ford, Bob Cooper, Brian Scussel, Shawn Peach, Gary Palmer, Jeff Davis, Barb Willard & Pete Kasacek. Special thanks to Connie Mauri for opening up Connie's kitchen !

## PHEASANT COMMITTEE

Paul Cardinal, *Pheasant Chairman*

Email: [Cardinalservice151@yahoo.com](mailto:Cardinalservice151@yahoo.com) | Phone: 860-377-0453.

It doesn't seem possible that our pheasants will be arriving very shortly, the pheasant pens are all ready to go.

We will be needing help the week of July 14th when the 3800, 8-week old birds arrive. We won't know the exact day until its gets closer to the delivery time. We will need about 30 people to help unload and uncrate the birds. Last year was great, we had a lot of people and the birds were unloaded in record time.

If you think you can be free the day they arrive please send me an email and I will notify you of the date as well as send out an email through the club email.

Also, we need people to sign up for feeding and watering the birds. Sign up at the bar for 1 week or more, if you can. We need all the help we can get, the more people that sign up, the less work we all have to do. If you want to email me a week that will work for you, I can sign you up at the bar.

Thank you to everyone that has helped in the past and to those who can help this year as well. We have a very successful pheasant program because of the people who pitch in to make it so. The FFF pheasant program is only successful if we all HELP.

Let's make the pheasant program fun for everyone. Let's make it successful again this year.

Thank you.
