Pheasants Are Coming...

PLEASE HELP OUT!

Paul Cardinal, Pheasant Chairman

The 2016 pheasant stocking season went well. We had a lot of help from many of the many members. We want to thank those of you that helped! You make this a great club program year after year.

We will again be ordering 3800, 8-week old birds. They will arrive sometime in the week of July 17. Of the 3800 birds, 1900 birds have been earmarked for outside sales to offset the costs of raising the birds.

About 20-30 people will be needed to unload crates from the delivery trailer when the birds arrive. I will let the membership know of the date and time by club email as time gets closer.

Help with the pheasant feedings; sign up at the bar on the calendar. Let's make this a very successful year again!

Call me at 860-377-0453 or email CardinalService151@Yahoo.com to help, questions, suggestions, ideas, etc.

Thank you,
Paul

PRESIDENT'S CORNER

Dick Palmer, President

Summer is upon us and the Club is a great place to come out and relax under the pavilions, enjoy some lazy day fishing, and even sharpen your skills on the ranges. The Club ran some pretty nice dinners recently and a big thank you to those putting them on. We still have the Annual Family picnic the 3rd weekend in August on the 20th, and the Annual Chicken BBQ on Sept. 16th, so there is still time to come out and enjoy the taste of the Fin. The Family picnic has a lot of contests going on like the Bake Off, raffle prizes, and so much food – so good!

Just a reminder if you haven't received e-mails announcing activities going on at the Club, check with the Membership Chairperson to make sure your correct email address is on file. There are so many activities that go out through e-mails. On August 12th and 13th, the Club will host the Zone Skeet Shoot; a lot of shooters from throughout the Northeast will be here trying for top shooter. Sporting Clays schedule is up and running as well. Lastly, a reminder that you need to purchase your hunting badges before Oct. 1st; likewise all your obligations must be settled prior to Oct 1st as well.

Enjoy your club.

BY-LAWS REVISION

Members.

Our By-laws requires us to review them every five years, and if necessary make changes. Recently a review indicated some changes and **these proposed changes will be voted upon on July 11th at the regular membership meeting.** The By-laws are posted on the bulletin board in the bar, and were e-mailed for everyone's review. They're color coded to highlight these proposed changes. The biggest item is how the Executive Board is structured. Currently there are 7 members elected and with the lowest additional vote receivers are declared alternates. These alternates only have voting privileges when seated in absence of a full Board member to establish a quorum. This review committee and our current Executive Board felt we should remove the Alternates and make them full Board members as many times the alternates are seated as a full Board member. Presently, alternates have no voting or discussion on matters relating to the Club's operation, it's only when they are seated that they have full rights. So this change would create nine(9) Executive Board members, and along with this, additional changes in the By-laws throughout to expand board members from the seven(7) to nine(9). There are other changes along with this proposal, which reflects current day operations.

Please take time to read this proposal and attend the July 11th meeting to express your questions and to vote on these changes.

HUNTING BADGES

Please mark your calendars as you will need to purchase your 2017 badge prior to October 1st. After that date, no badges will be issued, unless you are a new regular member. You must fill out your permission slips, for selecting the type of hunting activity you would like, selecting your fall hunting group, and finally purchasing your badge. Come September 30th, if you have not completed your work hour requirement, or paid your obligations, you will be notified. You must pay for those work hours, and any outstanding obligations or you will lose your hunting privileges and your badge. Tremendous amount of work goes into this program from permission slips, organizing forms, verifying information on the permission slips, notifying members that information was incorrect or left out, cross checking work hours, obligations paid for, and finally issuing badges. This is to ensure that everyone is eligible to hunt, after meeting those requirements.

It is your responsibility to make sure that information, work hours, obligations, and payments have been completed so to purchase your badge. Please keep your receipts. It is not up to the Hunt Chairman or Club, it is you!

FISH COMMITTEE REPORT

The Fin held the Annual Kid's Fishing Derby on Sunday, May 7th, 2017 (see page 6 for photos). This has been one of our BEST Derby's attendance with 97 kids signing up! Each year our goal is to get more kids and their families involved. A wonderful day was had by all who attended, and Mother Nature was a little kinder to us this year than in previous years.

Thank you to everyone who donated for this event, including items for prizes, money to buy fish and especially all who donated their time. Including REC Components, Big Y, Walmart, Center Sports, Red Bird Real Estate and members!

Thank you to our awesome grilling crew, who worked hard to make this a success! We certainly fed a lot of hungry mouths!! A very special thanks goes out to Mike Nowosielski and Matt Millix for always being there.

Congratulations to Cole Lazzela, who caught the tagged fish for a prize of \$50.00! Also, congratulations to all who won in their age categories!! Watching the kids fish all morning, enjoying themselves, seeing the excitement in their eyes when they catch a fish, bringing it to us for a weigh in and then waiting for the raffles at the end of the tournament is ...PRICELESS!!

Members, please pass on our heartfelt gratitude to your family and friends who attended, but don't receive this Newsletter. The support for this event is greatly appreciated!

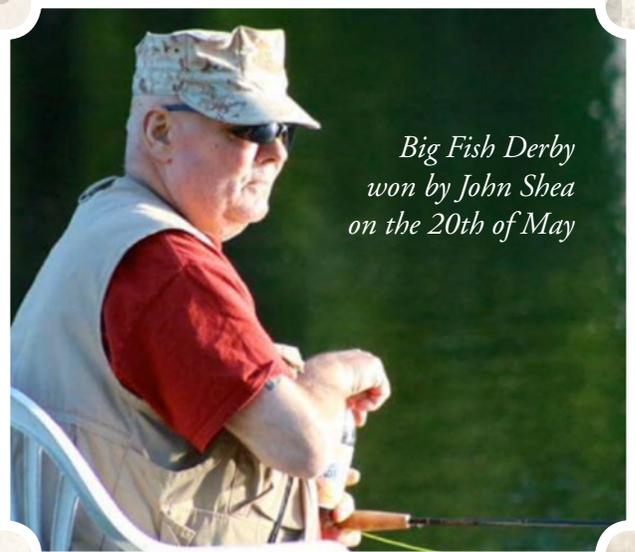

The Corned Beef Dinner, which also benefits the Fishing Committee was held on Saturday, March 18th 2017. Another successful dinner!!!! A very special thank you goes out to Jon Guarino and his kitchen staff for putting together this dinner each year!

Our Prime Rib Dinner was held on Saturday, April 15th 2017. It was a great night and huge success! We sold out at 85 dinners within record time! We want to thank you all

for supporting this event each year. A very special thank you goes out to Steve Sanborn for cooking his prime rib to perfection, as always! We would also like to sincerely thank the kitchen crew, set up & cleanup crew for your time and energy, again greatly appreciated!

We also had our 3rd Annual Biggest Trout Derby, held on Saturday, May 20th 2017. We had a great night and a wonderful time was had by all! Thank you all for bringing something for the grill and potluck dishes to share - there was, as always, plenty of food for everyone! We had 42 entries @ \$10.00 a person. Biggest trout won 1/2 the entry fee...18 inches & 2.55 lbs...goes to John Shea! CONGRATULATIONS JOHN!!! A very special thank you goes out to our organizing, set up, clean up and grilling crew...too many to mention, but you all know who you are!

Hope to see all of you for the 2018 fishing season and next year's festivities!!!
